Reference: July Quarterly Report (04/01/00-06/30/00)

Dear Mr Young:

In response to your letter of September 19, 2000, I am enclosing an amendment to Schedule A Line 11(a) (I) which provides missing information from the July Quarterly Report, which this committee received after the filing date.

I have also included samples of our solicitations to show that we make a clear and conspicuous request for the contributor information and that we state the requirements of federal law for the reporting of such information. I have included a sample direct mail solicitation, an event invitation and print outs of the credit card and mail-in solicitation which appears on our website.

If we don't get the requested information a letter is sent to the contributor, which I have also enclosed, along with a Federal Election Commission Information Sheet. They are asked to fill out the missing information on the information sheet and either mail it back to the committee in a Business Reply Envelope (a copy on which is also enclosed) or fax it back to us.

If you have any further questions, please contact me. Thank you for your consideration.

Sincerely,

Margaret May
